SPA DI SETA by Algotharm

Treatments menu

The creation of SPA di Seta began with a story...in 1774 Luigi Vanvitelli built his silk manufacturing plant. Silk...the most noble of textiles and the dream of many a woman to be adorned and dressed in this luxurious material. And now, SPA di Seta, a cocoon of elegance and refinement, opens its doors and offers you that wonderful feeling of luxury....

The word « SPA » from the Latin “sanitas per aqua” or “cure by water” – means exactly that, and under the fabulous marine cosmetic brand Algotharm, we welcome you to SPA di Seta.
